Key insights (all segments)

- **Government drives profit:** 67% of total profit from 44% of sales (margin 21.7%).
- **Enterprise loses money:** $19.6M sales but a $-615K loss (-3.1% margin) — review pricing and cost.
- **Discounts erode margin:** margin falls from

17.9% (Low band) to 9.1% (High band), while High-band deals add the most units.

- **Growth:** Sep–Dec 2014 sales were 37% above Sep–Dec 2013 (the only overlapping months).
- **Products:** Paseo leads profit; Carretera trails
